Dear *40 Plus*,

My name is Kirstin. I'm 39, tall, red-haired, slim and very horny. Last Friday night I had a wonderful experience I have to tell your readers about. I went out with my boyfriend Mike. We had a few drinks and we met up with two blokes I knew from the nightclub where I work. One's called Danny, and he's 36, while the other, Dave, is 28. We had a great time and all got pretty pissed. Danny suggested we all go back to his place for a drink so we did. It's a lovely house, well decorated, en suite bathrooms, the works. Danny started chatting to Mike and put on a blue movie. Mike came and sat next to me and started rubbing my boobs. Then he put my hand onto Dave's cock. I was a little taken aback, but what the hell, at my age you take every chance you get!

I slowly began to wank him and Mike. Then a hand slid up my black skirt and I felt my knickers being pulled down. I raised my bum and let Danny take them off. He spread my legs and began to lick me. He was very good, teasing my clit and then probing my pussy. I was really wet by then and was most upset when he stopped.

"Let's go into the bedroom," said Danny, as he led us in and stripped off. The others did the same. Then Dave took my dress and bra off, leaving me in stockings and high heels. He sat down behind me on the dressing table chair and pulled me onto his cock. I slid onto it, savouring the feeling and the look of horny jealousy on Mike's face. Danny then came forward and put his smallish cock in my mouth. Then Mike knelt between my legs and began to lick me as Dave screwed me. I had hands all over me. Dave came first, filling me with his sperm. Then they changed positions. I got on all fours while.I sucked Dave, and Danny and Mike fucked me. I felt really in command as Danny came over my face and in my mouth. I wanted it now for my own pleasure so I rolled onto my back. I made Dave screw me whilst Mike and Danny sucked my tits and I sucked Mike's cock. We stayed like this for about

an hour, moving round positions until I was covered in spunk and had loads of incredible orgasms. Brilliant!
Sorry I've had to rush the end but I'm writing this naked and I'm getting so excited I'm going to have to stop for a little clit-fiddle.
Kirstin, Leeds

Dear *Forty Plus*,

Although I'm happily married, I've always fancied my husband's best friend Ken. In fact I've got a confession to make, and I think my husband will take it better if he reads it in the pages of our favourite magazine!
It's quite rural where I live, so it wasn't too hard for me to find a secluded spot where I could carry out my little seduction.

> ***"His fingers rubbed my clit and then he pushed his tongue right into my hole"***

One Sunday morning I drove up there, then called Ken on my car phone and told him my car had broken down. He knew that my hubby was out playing rugby, so he offered to come and pick me up himself.
When he arrived, he found me bending over the bonnet, my short skirt pulled up a little to reveal the curves of my bum cheeks. Of course, the car started first time when he tried it, and I pretended to be so relieved I just had to give him a kiss on the cheek. As I got close to him I could feel he was already getting a stiffy.
"Do me another little favour," I said, passing him my camera. "Take a few snaps of me to use up the rest of the film – I'll let you keep some of the pictures."
As Ken pointed the camera at me I took off my blouse and then, getting a bit bolder, I pulled my white lacy bra down a bit so my tits fell out of the top. Ken had a huge bulge in his trousers now, and as he started taking photos I lifted up my skirt to flash my bald fanny right at him.
I was getting really juiced up now, so I walked across to Ken and pulled his hand against my cunt. His eager fingers rubbed my clit, and then he knelt in front of me and pushed his tongue right into my hole. After a few moments he sank to the ground, pulling me with him so my fanny was right over his face. I nearly smothered him when I came!
Next I straddled him and we fucked with me on top until he spunked into me. Even then I didn't stop, just kept pumping up and down so that my tits bounced and all his creamy spunk ran over his balls and thighs.
I've never flaunted myself so openly, but I enjoyed it so much I've sent you some of the pictures Ken took of me that day. The thought of all your readers looking at them is enough to make me come again!
Laura, Scarborough

KATIE KNELT BETWEEN MY KNEES, THEN STARTED LICKING MY PUSSY

THROUGH MY SOAKING PANTIES. NIKKI, JERSEY

up I asked an old friend, Katie, around to my flat. After a few glasses of wine our tongues became loose and we started talking more openly.

"Do you miss the sex you had with Andy?" Katie asked. I told her that I did, my vibrator being my only consolation. Katie seemed fascinated when I said that, and she suggested that I should go and get it.

Before I could say no, Katie's arm was around my shoulder and she was almost sitting on me. I tried to pull away, but I was captivated by her big brown eyes staring into mine and moreover, her red lips closing in on mine. Next thing I knew we were hugging and kissing each other passionately.

My hand cautiously moved to Katie's large boobs, and as I began to knead the soft flesh her hand moved up my thigh, brushing my moist pussy. I began moaning, begging for Katie to go down on me. "I've been waiting for you to say that!" she whispered.

> **"Katie slowly inserts a big vibrator into my pussy"**

I pulled off my bra and wriggled out of my tight mini, keeping on just my boots and a very damp pair of silk panties. Katie knelt between my knees, then started licking my pussy through my soaking panties, sending little shivers right through me.

"I want to lick you properly," said Katie as she peeled off my panties. Her pussy licking told me that she was no stranger to girl-girl sex. Her tongue probed in and out of my tight, juicy hole and pressed my clitty.

My pussy muscles started contracting around her tongue and she carried on licking me, making sure she got every last drop of cream from my cunt. Then she taught me how to do the same to her, and when I tasted her juices I came again without even touching myself!

Now I've learned to love lesbian sex, and always fantasise about doing it with girls. I still have sex with Katie, and we've experimented a lot: my favourite is when I get on all fours on the bed, wearing nothing but my bra and hold up stockings. I rest on my knees and elbows with a copy of 40 Plus in front of me, open at my favourite lady. While I imagine all the dirty things I'd do with her if I got the chance, Katie gets behind me and slowly inserts a big vibrator into my pussy with one hand while she gently rubs my clitty with the other.

Pretty soon I'm groaning and Katie's telling me what a naughty little voyeur I am. My orgasms like this are always explosive! Then when I've come, it's Katie's turn for some more of the same!

Nikki, Jersey

Dear *Forty Plus*,

I work behind the counter at our local stationers and I often spend my boring days just watching the women customers as they come in and browse around. I can stand there for hours, mentally undressing all the tidy girls and the horny housewives that come in, and getting a large lump in the front of my jeans into the bargain! It's okay because I don't have to move around too much – and if I have to check something from stock I

40 PLUS FEATURE

WANKING BACK TO HAPPINESS

44-year-old Lu-Lu Devine has become one of the most popular mature models in America, where her masturbation videos are best sellers. Dave Ross interviews her for Forty Plus...

40 Plus: We understand that you started out in nude modelling in your 20s, then took a break to raise a family before returning to the business...

Lu-Lu: That's correct. In my 20s I worried about the repercussions, and there certainly were some. But now I'm fearless. I don't worry about what people think at all. I'm not looking over my shoulder. I think that the magazines are a lot more creative now, and the photos are more explicit, which I like better. I've been an erotic dancer for thirteen years, so I'm as at ease with taking my clothes off in front of an audience as I am taking a trip to a fast food joint for lunch!

40 Plus: How many nights a week do you dance?

Lu-Lu: Three. I mainly work at a club called Truck Stop 22 in the Johnstown area. Ron, the owner, has been very good to me since he first opened the club eight years ago, and I love working there. I meet men from all over the country there, truckers mainly.

40 Plus: Can you give us some details on your measurements?

Lu-Lu: Sure. 44FF-25-36 are the ones you want, right? I'm five foot one tall and my average weight is 114 pounds. I'm muscular, not skinny, because I lift weights four times a week. It's a habit left over from when I was a competitive body-builder. That led me into dancing, by the way. It's easy for me to go from flashing flesh in a tiny bikini to flashing flesh as a dancer.

40 Plus: What kind of workout routine do you follow?

Lu-Lu: On Mondays I work on my legs. Tuesdays I work on my shoulders and back, on Wednesdays I do my chest, and on Fridays, my legs again. Plus, I work on my abdominals all week long. This is a fixed workout. I've stuck with it for years.

40 Plus: Let's talk about your masturbation videos. How many do you have?

Lu-Lu: About a dozen so far. They're available through my fan club and I mention this because I will be doing a model of the year video, starting with a red bikini. I think the readers will like it. Each video is a separate vignette. I like to be a lot of different people. When I was a little girl I enjoyed playing dress-up. Now that I'm a big girl I still like to play, but now I take the clothes off. I dance a little, then I mention that it's getting a little warm or some other excuse for undressing. Then, pretty soon, I take out my bag of sex toys and see what's inside.

40 Plus: What are some of the roles you play?

Lu-Lu: A secretary. A sophisticated lady. A western girl, and a couple of fairytale characters. I also do personalised videos for guys with a particular fantasy. I have a wide variety of sex toys. My favourite is my royal blue metallic vibrator. And I have three different size dildos, some butt plugs. I had anal beads, but I don't like them. I don't really like anal, but I'll do it for my viewers because I want to give them a little bit of everything. I have the ability to specialise in anything: anal, even, if that's what someone wants. I engage my imagination and put my body in sync, and the sky's the limit!

I CUM REALLY EASILY WHEN I'M READY FOR IT. I GET AS WET NOW AS I DID WHEN I WAS YOUNGER

40 Plus: Do you use the same process to enjoy sex more?

Lu-Lu: Yes, I stop and think about everything that's happening, use my imagination and narrate to myself as it goes along, reinforcing every pleasure during sex. I observe myself all the time, and steer myself through it.

40 Plus: So you control when and how you'll orgasm?

Lu-Lu: Yes, my brain is captain of the ship, not my body. I go with the flow, let things build up, until I'm ready to orgasm, and then, wow! I cum really easy when I'm ready for it. You know I get as wet now as I did when I was younger. I've always been a very intensely passionate person and that has not changed in any way. But I do enjoy sex more now, maybe because I'm more sensitive now.

40 Plus: What is the most sensitive part of your body?

Lu-Lu: My neck and behind my ears. I like to have my ears kissed. That's the way to get me started. Come up behind me and slip me some tongue! I guess I have sex at least two or three times a week, and my favourite kind of sex is the old-fashioned kind, man on top, woman on the bottom. I like face-to-face, eye-to-eye sex. Low lighting, not too soft, not too bright. Soft music.

40 Plus: What's your favourite part of a man's body?

Lu-Lu: Besides the obvious, his genitalia, the stomach and the hands. The way he works with his hands and uses his hands demonstrates a certain kind of, or lack of, gentleness I can pick up on. It's nothing to do with whether or not he has the hands of an executive, polished, or if he has grease under his fingernails, but the way he touches, holds, gestures. And I like the stomach because, well, that leads to the exciting part, the area down below that leads to that very erotic area lower down.

40 Plus: Before we wrap up, is there anything you'd like to mention that I haven't asked you yet?

Lu-Lu: Yes, and I think that this is important. Loving other people is a by-product of learning to love yourself. I've spent my whole life learning about myself and I am still learning. So I want to say to your readers, love yourselves and things will work out right. We can have whatever we want. Trust your intuition and be good to you and me. We're all the same really. See the oneness in everything. Your body is a playground. Use your imagination and have fun every day at your favourite amusement park. Ride the wet and wild rides, try everything and come away satisfied and exhausted and wanting to do it all over again. Then write to me and I'll tell you how you can get my movies or a pair of my well-worn panties or stockings, with the real stuff on them, and then you can have even more fun!

BARNYARD VIDEO TEENAGE BIZARRE — VIDEO 1

This is our best selling video every year for the last 3 years. This is the most bizarre video ever made by the BIZARRE INTERNATIONAL film company here in Holland. You will not be able to contain yourself when you see beautiful young teenagers performing these weird and wonderful sex acts. The video features seven different girls - 4 white, 1 black, 2 Oriental, with at least 3 very 'unusual' partners each! Very, very outrageous video.

BARNYARD VIDEO OLD LADY BIZARRE — VIDEO 2

Another favourite from Bizarre International. OLD LADIES - 4 of them. One is aged 55, two are over 60 and the third is 70 and they all have full sex and oral in the strangest fashion imaginable. Old Lady Barnyard Bizarre will astound even the most ardent porno viewer. These older ladies could show anyone a thing or two when it comes to that most extreme subject of all.

BARNYARD VIDEO GAY & TRANSEXUAL BIZARRE — VIDEO 3

Bet you've never seen anything like this before; no don't rub your eyes, the title is just what it says. Oral extremities and full sex is very much in abundance. If you've never EVEN seen a normal sex TS video before then why not jump in at the deep end and get this absolute gem.

BIZARRE INTERNATIONAL

BARNYARD VIDEO TARTS BIZARRE — VIDEO 4

This is an amateur video made using state of the art camcorder. The quality of picture and sound is however absolutely spot on. Persuading a couple of girls to make this video was no easy feat. In the end we had to pay £600 each to a couple of shall we say, "good time girls" we found under a red light in a certain Yorkshire city. Even then they were a little dubious. Anyway an hour later, up to their ankles in mud grass, these mini-skirted tarts were beginning to enjoy their first ever session. They did that well that we gave them an extra £50 apiece. Now there you go - all heart.

EXTREME VIDEO DIE SCHWESTER TRACEY — VIDEO 5

If you've seen one like this before I'll eat my hat. Tracey - an ugly, plump, 33-year old. But it doesn't prevent her from picking up guys in her local night-club and taking them to bed three at a time. She goes wild for kinky sex and the slow lingering camera shots will either thrill you or put you off for life. A very unusual Magma video.

EXTREME VIDEO DER DONKER — VIDEO 6

Dr. West works in a clinic specialising in women's problems. Along with the nurses he enjoys examining the willing patients and indulging in all sorts of additional activities. His specialist field is rear entry and 'O'. This video from Kinofilm is just what the docter ordered. Open wide and say Argh!!!

TEENAGE VIDEO BODY PIERCING EXTREME — VIDEO 7

Detailed, sharp focus close-ups of pierced nipples, navels and body parts of EVERY description. Teenagers, male and female who undergo weird and unusual rituals to mark and adorn. A hard, explicit look into the strange and cultish practice of piercing, body invasive jewellery, decoration and intimate shaving, A Silwa production.

TEENAGE VIDEO UGLY ORGIES — VIDEO 8

The strongest, close-up action video ever made featuring nothing but hideously ugly men having sex with stunning teenage cuties. The guys aged 22, 24, 28, 36 & 40 give and recieve 'O' from 3 girls aged 18, 18 &19. This video also contains domination/CP and some ultra exciting scenes shot in the bathroom, MAGMA VIDEO

TEENAGE VIDEO THE SPOTTY TENAGER — VIDEO 9

A pretty but very spotty teenage girl who is really shy and timid. She will go with any guy who asks - as a confidence booster. Of course every married man from 30 to 60 wants a go. During the course of the video Sharon drops her panties for 27 different men. includes threesomes, groups, 'O', rear, vibrators and bondage.

EXTREME VIDEO UNNATURAL ENTRY — VIDEO 10

The star of the show is a black American stud with a manhood as thick as your wrist. His co-stars are three petite 18 year Japanese girls who have never 'done it' before. When they see whats on offer their eyes almost pop out and their faces are a picture. Can they accommodate it all? Order the video and find out. There's a twist to the tale and some explosive action. Not to be missed. A Silwa Production.

EXTREME VIDEO WOMEN IN BONDAGE-WILLING WOMEN — VIDEO 11

A very strong video not recommended for the first time, bondage voyeur. We cannot describe the video properly here because the action is too heavy. Suffice to say it involves 2 pretty, demure looking blondes and 2 very experienced masters. Full use of bondage apparatus. This video will shock, you have been warned.
A Maximum perversion production.

EXTREME VIDEO THAI LADY GUYS — VIDEO 12

Everyone has heard of Bangkok's famous Lady Guys. This is a camcorder video made by 2 English male tourists who love to indulge in this particular fetish. Between them they are ultimately plesured by 12 different Lady Guys during a week's holiday. Every sex act you could possibly want is there for you to explicit in detail. The Thais have sex amongst themselves as well as with our 2 tourists. Very exciting video

EXTREME VIDEO KINKY MASSAGE PARLOUR — VIDEO 13

These really are cheap scrubbers with cheap being the operative word. Any act you can imagine for £5-£10. The girls in this video all service a minimum of 15 punters per day and will also perform lesbian shows. Also footage of a gorgeous red-head with big tits getting to grips with three blokes in a council car park whilst wearing a mini-skirt and laddered stockings.

TEENAGE VIDEO TEENERS FROM HOLLAND 18+ — VIDEO 15

Here in Holland we treat sex in a totally uninhibited fashion. So is it any wonder our teenagers (18 & 19) have made such a strong video? One of our girls is accomplished at giving deep, deep oral to 3 blokes at once. In Holland 'rear entry' has always been legal - so our girls are very good at it. The many varied acts the girls carry out in the final hour of the video (pure lesbian) will shock & stimulate you.

TEENAGE VIDEO TEEN WITH MATURE — VIDEO 16

Most of the action takes place in a brothel that specialises in older clientele. One guy gets two naked beauties, who treat him to a great duo act. Two other senior citizens are entertained by an Eastern chick who just loves it in every orifice. The average age of the punters is 67. The girls are all 18-24.Includes, 'O', rear, bathroom frolics, and foot masturbation.

BIZARRE VIDEO WET DREAMS — VIDEO 17

Yes, a brand new video from the Grenzbereich company. This will really make your mouth water. Four gorgeous blondes (early 20s) with two gents (early 40s). Lots of extreme bathroom frolics and sex to follow. This is an excellent value video for all you fans of bathroom antics.

LESBIAN VIDEO HOT STUFF — VIDEO 18

A very kinky video featuring really deep mutual masturbation and use of many different vibrators and other similar objects. Some female to female bottom correction and rear entry strap-on fun. Two white ladies seduce a hot looking black female and take her home for a sex session coupled with some unusual bathroom frolics.

EXTREME VIDEO BIZARRE DOMINATION — VIDEO 19

Full strength very, very bizarre and very, very rare. We cannot say too much here, but the cover says quite a bit. This is a video made by the renowned "Hollywood Perversion" film company and is an absolute must.

BARNYARD VIDEO ETHNIC EROTICA — VIDEO 20

Contains 20 different sequences, including white, black, half-caste, Chinese, Spanish and Philippino women - all having full sex with, and giving oral to, each other! This really is a shocking subject and worthy of a place in any serious porno viewer's collection.

TEENAGE VIDEO TEEN FETISHES 18+ — VIDEO 21

All teenages together. Young men and young ladies (all aged 18 & 19). Gay teeners, straight teeners, lesbians and bisexuals all get together for a huge group session. Some in mini-skirts, some in rubber with gas masks etc. Everything happens. Every act, every position, every combination. Lots of climatic scenes and abnormal sex.

EXTREME VIDEO UNMENTIONABLE SEX — VIDEO 22

If we tried to describe the contents of this video in any specific detail the newspaper would refuse to print it. Any descriptions would be far too wide of the mark. This action video is certainly real and not play-acted. One of the best, bizarre films we have ever seen.

TEENAGE VIDEO NIGHTCLUBBING GIRLS 18+ — VIDEO 23

Two guys stand around watching the girls teasing in their short skirts, show-ing off everything they've got. Their lucks in, and they pull a cute blonde. can always pull my jacket around me so my hard-on isn't on show.

The other day it all got a bit too much for me, and to tell you the truth, I got completely carried away. This particularly fit housewife of about 40 came in.wearing an incredibly tight-fitting dress that showed off her big tits; along with black hold ups which enclosed her long slim legs. She was absolutely gorgeous and, since I've long been a fan of older women, she was as near to being my ultimate fantasy woman as anyone could possibly get.

As you can imagine, pretty soon I had a rampant stalky. My cock felt quite painful pressed up against my trousers, and I slowly eased the head of my cock out through my zip. It was pointing out just enough for me to start pulling myself off – whilst I tried my best to look as if I was still cool, calm and collected.

I was getting very close to coming when the woman finally made her mind up and came over to the counter. I quickly stopped wanking and rubbed it to remove the sweat and pre-cum. "Hello, I'm Sally. Can I give you a hand with that?" she said, looking deeply into my eyes and then down to my packet.

My face flushed as I tried to tuck my cock back into my trousers. How she knew I was pulling my pud was beyond me – I thought I was being as subtle as I possibly could!

"I bet you don't do that for all the girls," she whispered. You could have heard a pin drop! Slowly – while I was still flustered and speechless – she eased herself behind the cramped counter beside me and then dropped to her knees. I had a pretty good idea what was coming and I gasped as I felt her lips clamp around my swollen dick. Slowly peeling back my foreskin, Sally ran her tongue all the way down my shaft before taking my length into her mouth.

I was completely breathless as she carried on sucking frantically, even more so when a couple of customers came into the shop! My first reaction was to stop her, but by the look on her face I could see that she was enjoying it just as much as me - so why stop?

Hidden from view and tucked behind the counter, nobody else could see her and I desperately tried to keep myself outwardly calm as she sucked even harder. The other customers were looking around the shop and probably couldn't understand why I was standing behind the counter grinning like the village idiot. Christ, there'd be a lot of explaining if they found out, I can tell you!

Then, just as I was about to come, a woman of about sixty came up to the counter with a box of paper clips and Sally took this as a sign to finally bring me off. As I took the lady's money, my spunk started pouring out of my cock into Sally's mouth. The woman raised an eyebrow and then smiled as my knees almost buckled while she sucked the last remaining drops of spunk from my aching dick.

When the woman left the shop, Sally rose from behind the counter, still with drops of spunk on her face, kissed me and told me she'd see me same time, same place, next week! In the meantime she left me with a little memento of her visit, a pair of damp white silk panties! I'll let you know what happens when she comes in again!

SHE SWALLOWED EVERY DROP OF SPUNK

> **"I was just about to come and, as I took the customer's money, my spunk started pouring out of my cock into Sally's mouth"**

Dear *Forty Plus*,

I'm a horny divorcee in my early 40s, and every weekend I go on the prowl for young blokes to satisfy my insatiable sexual needs! Last weekend I was in my local pub downing a few gin and tonics when I got chatted up by this gorgeous hunk named Tom, who looked about 20 years younger than me. He was well into older women, obviously and in fact, when we got back to his flat, the first thing I noticed was copies of your mag lying about. He seemed a bit embarrassed at first, and quickly tidied the mags into a drawer. But I quickly reassured him. "There's nothing wrong with having a good wank, love," I smiled. "But isn't it about time you tried the real thing?" With that I removed my loose-fitting black top and revealed my boobs encased in a lacy

black bra. Tom's jaw dropped and his eyes weren't the only things that bulged! "Well don't just stand there," I said with a cheeky grin as I unhooked my bra and let my tits free. "Come on over here and have a good suck!"

He didn't need any further invitation, and within a matter of seconds Tom had his greedy mouth clamped tight round one of my rapidly-swelling nipples and was sucking away for all he was worth. I grabbed one of his hands and shoved it between my legs, and he began fingering my clitty, shoving first one, then two, then three fingers up into my sopping wet pussy. I groaned with pleasure as he started wanking me, and it wasn't long before I spurted my love juices onto his frantic fingers.

"I'm an expert at fucking men with my tits, rubbing the nipples against the end of their cocks and sucking the tips"

"Let's see that cock of yours," I urged, and he eagerly dropped his trousers and pulled down his boxer shorts. His rampant prick sprang out, and it was a fucking beauty! "Go on," I said, "Let me give you a tit-fuck!" I wrapped the floppy flesh of my boobs round his stiff poker and started to wank him back and forth while he groaned out loud. I'm an expert at fucking men with my tits, rubbing the nipples against the end of their cocks and sucking the tip as it exits the top of my cleavage.

The only problem is that guys never last long once they have their knobs in my tit-trap, and Tom was no exception. "Oh fucking hell," he cried, "I'm going to shoot my lot!" But I wasn't having that. "I want your cock inside me, now!" I said, pushing him away and spreading my legs wide. Pulling my panties aside he rammed straight in, right up to the ball-bag. A jolt of electricity went right through me as he started fucking me harder than I've ever been fucked before. In fact it felt like his cock was going to split me in two, and on every thrust I could feel his helmet nudging the neck of my womb.

As another orgasm flooded through me I suddenly felt Tom's warm spunk jetting out into my cunt. He shuddered deeply as he released what felt like a gallon of hot jism, and when he pulled out his sperm dripped down between my legs onto the

Our First Time Experience

Having just had our first meeting, I thought I'd drop you a line on our experience.

Having left a message and brief description of my girlfriend and myself we sat back and waited for a response, Less than a week later we'd received four contacts, one of which was from a couple living near by. After a lengthy telephone conversation we arranged to visit Gary and Joanne the following week. When we arrived we were pretty nervous, but our new found friends made us very welcome and relaxed as we all began to watch a video. The said video turned out to be of Joanne being fucked by two cocks a once. Well naturally I had a raving hard on watching this, when Joanne came over and sat between my legs and with a little smile released my stiff cock and begun sucking it, as I looked around I found my girlfriend having her tits sucked by Gary while he was fingering her wet pussy. The evening carried on great with everyone pretty knackered but happy, and I shall not forget fucking Joanne from behind while she had her tongue up my girlfriends pussy, who in turn was sucking Gary's hard cock. What a might. We are both eager to get more involved and perhaps hold a party soon.

Believe it!

Dear Bob.

I would love to apply for your phone sex service. My name is monique and I am 26. I'm a mature student studying for a degree in the performing arts. I am very petite with a school girl figure - I am 5ft, 32-24-32 with long dark hair and green eyes.

I am a phone sex addict, and a total exhibitionist and nymphomaniac. I love to "play games" over the phone and am a wonderful little performer! My sexual experiences are wide and varied - you name it, Ive tried it and love to talk about it. All my stories are true.

I was wondering if it is possible for me to earn a bit of extra money by doing sexy phone recordings, call back or anything like that.

I would really enjoy it and desperately need to earn some money somehow. So please call me if you have any jobs. Thanks

love, Monique X

Dear Bob,

My name is Cindy. I'm in my second year as a student nurse, and I work part-time as a stripper. I'm adventurous and Bi-sexual and I have plenty of stories about my naughty behaviour on and off the job! I would love to talk on your service, and maybe pose for pictures for your adverts if you like. I have seductive baby blue eyes and shoulder length auburn hair, a slim fit body, pert breasts and I look very sexy in my uniform. I would love to make men cum on the phone with my filthy talk. I need to earn some extra money and I'll try just about anything!

Please give me a call. I promise you, I have a real talent for turning men on. If you want to know how good I am on the phone, perhaps you'd like to audition me yourself!

Yours Truly,

Cindy

Dear Mr. James,

I am writing regarding your phone sex service as advertised in Forum magazine.

My name is Victoria. I'm 35, single and very experienced. I have previously held a position as headmistress of an all girls school in southern England, but I am now a full-time dominatrix. I can bring out a man's deepest fantasies, and I know exactly how to take care of a man who submits to my control.

I feel that your service would benefit from my considerable skills. Please give me a call if you are interested.

Yours sincerely,

Victoria

In case you're wondering...

The letters are genuine. These girls are available to speak to you on our service.

I love phone sex, but I've often felt frustrated and ripped off when ringing other services. When I need a wank, I don't want to be strung along. I want choice, privacy, and a woman who enjoys it as much as I do. I'm sure you want the same.

So I set up a service to give you what you want. You'll have a great choice of girls. You can listen to them before choosing, and talk in total privacy. All the girls talk from home, and I use a unique fast flowing message exchange system, which means I don't need to record or monitor your call.

But what really makes it work is the girls. I was shocked to find just how many fascinating, horny girls there are out there, who really enjoy phone sex. The girls who work for me come from all walks of life. We've got nurses, students, teachers, housewives and much more! Dominant, submissive, bold, shy, sweet and sexy or just plain dirty. They are all well paid, and work only when they feel like it. And they'll give you the most genuine, mind blowing, cock busting, ball draining phone sex experience you've had in ages.

Enjoy!

Bob James

DIANE

Diane says she wants to be an aromatherapy masseuse one day. 'Someone once told me I had healing powers, but then I reckon that if I can rub scented oil all over naked bodies all day and get paid for it, it'll be me that gets healed of all my worries. Actually, I want to go in for a new way of massaging the oil in, especially for the good-looking patients. If I strip naked too and use my boobs to rub the oil in, I think that should perk them up in no time.' Quite. Would you care to practice on the photographer? He's looking a bit stressed out right now.
